

Dianella tasmanica 'TR20'

TASRED®

**AVAILABLE TO LICENCED OZBREED
GROWERS ONLY**

Dianella Tasred® is the best performing, biggest selling *Dianella tasmanica* in Australia. It's tough, adaptable and reliable, with beautiful foliage and purple berries around spring and summer. In colder climates you can expect to see the base of the plant turn a shade of red, and will even change foliage colour from green to green with red tinges at certain times of the year.

Tasred® has a dense, tidy appearance, with beautiful wide leaves. It performs well in a range of conditions across Australia and can be planted in both sun and shade. Tasred® Dianella also has excellent erosion control capabilities, strengthening the soil by 215%.

HIGHLIGHTS:

- Red tones in foliage in colder climates
- Compact, neat appearance
- Only suited to shaded positions in Sydney
- In climates like Blue Mountains it can tolerate full sun positions
- Drought tolerant and cold hardy
